 Leadership Activities

What	Purpose	Evidence
<p>Joined the International Literacy Association</p>	<p>To stay up to date on the newest, up to date information and strategies associated with reading today.</p>	
<p>School Literacy Night</p>	<p>The purpose of this reading night was to allow parents to come into the school and actually see and participate in literacy activities that they could use with their child at home. This helps to foster home/school connections with families. We also celebrated Dr. Seuss's birthday this night.</p>	
<p>BER Workshop: What's New In Children's Literature 2017</p>	<p>I attended this workshop on 3/27/2017. It was a great workshop that covered many books that are just coming out in print for K-5ish, although many could be used in middle or high school classrooms. This workshop also gave many literacy extension ideas in a great book with a summary of all the books and more.</p>	

Organize A Book Drive

My school usually does some type of community service project with the school when we do a play. I was able to convince my grade level to do a book drive along with our grade level play. Students will be asked to donate a new book when they come to see the Multiage musical. The books will be donated to The Ronald McDonald house in Greenville.
